

## Curriculum vitae

**Alexis Edwin Te, M.D.**

**Date of Preparation: April 28, 2010**

### **A. BACKGROUND INFORMATION**

Office Address: Brady Prostate Center  
Department of Urology  
Weill Cornell Medical College of Cornell University  
New York Presbyterian Medical Center  
525 East 68<sup>th</sup> Street, Suite F9 West, Box 261  
New York, New York 10021  
(212) 746-4811 Office  
(212) 746-5329 Office Fax

### **B. EDUCATIONAL BACKGROUND**

**High School:** Polytechnic Preparatory Country Day School  
1976-1980 Brooklyn, NY  
Awarded: 1980 High School Diploma  
Cum Laude Honor Society

**College:** Yale University  
1980-1984 New Haven, CT  
Awarded: 1984 BS- Molecular Molecular Biophysics & Biochemistry  
Associate Member of Sigma Xi Research Society

**Medical School** Cornell University Medical College  
1984-1988 New York, NY  
Awarded: 1988 Medical Doctorate

### **C. PROFESSIONAL POSITIONS AND EMPLOYMENT**

#### **Postgraduate Training**

Intern: Department of Surgery  
1988-1989 Columbia Presbyterian Medical Center  
New York, NY

Resident: Department of Surgery  
1989-1990 Columbia Presbyterian Medical Center  
New York, NY

Resident:  
1990-1994  
Department of Urology  
J. Bentley Squire Urologic Clinic  
Columbia Presbyterian Medical Center  
New York, NY

Chief Resident:  
1994  
Department of Urology  
J. Bentley Squire Urologic Clinic  
Columbia Presbyterian Medical Center  
New York, NY

Fellowship:  
1995  
Neurourology and Urodynamics  
Department of Urology  
College of Physician and Surgeons, Columbia University  
New York, NY

**Academic Positions:**

1994-1995  
Fellow in Neurourology and Urodynamics  
College of Physicians & Surgeons, Columbia University

1995-2000  
Assistant Professor of Urology  
Department of Urology  
College of Physicians and Surgeons, Columbia University

2000-2001  
Assistant Clinical Professor of Urology  
Department of Urology  
College of Physicians and Surgeons, Columbia University

2001-2009  
Adjunct Assistant Professor of Urology  
Department of Urology  
College of Physicians and Surgeons, Columbia University

2000-2002  
Assistant Professor of Urology  
Department of Urology  
Weill Medical College of Cornell University

2002-2009  
Associate Professor of Urology  
Department of Urology  
Weill Medical College of Cornell University

2002-2010  
Professor of Urology  
Department of Urology  
Weill Medical College of Cornell University

**Hospital Positions:**

|                                     |   |
|-------------------------------------|---|
| 1994-1995                           | Clinical Assistant in Urology<br>J. Bentley Squier Urologic Clinic<br>Columbia Presbyterian Medical Center  |
| 1994-2000                           | Attending in Surgery<br>Department of Urology<br>Helen Hayes Hospital<br>West Haverstraw, NY  |
| 1995-2000<br>1995-1996              | Junior Assistant Attending in Urology<br>Director of Neurourology & Urodynamics<br>Department of Urology<br>St. Luke's-Roosevelt Hospital Center                                  |
| 1995-2009<br>1995-2000              | Assistant Attending in Urology<br>Co-Director of Incontinence Care Center<br>J. Bentley Squier Urologic Clinic<br>Columbia Presbyterian Medical Center                            |
| 1996-2004<br>1996-2006<br>2006-2010 | Director of the Incontinence Care Center<br>Assistant in Surgery<br>Courtesy Staff<br>Neurourology and Urodynamics Laboratory<br>Division of Urology<br>Maimonides Medical Center |
| 2002-Present                        | Consultant-NYPH<br>Hospital for Special Surgery   |
| 2000-Present                        | Director of the Brady Prostate Center and Urodynamics<br>Attending in Urology<br>Department of Urology<br>New York Presbyterian Medical Center/ Weill Cornell<br>Center           |

**Other employment:** N/A

**D. Licensure, Board Certification and Malpractice:**

**1. Licensure**

|                |               |                      |
|----------------|---------------|----------------------|
| a. State       | Date of Issue | Date of last renewal |
| New York State | 1989          | 2008                 |

c. DEA Certification Current

**2. Board Certification**

Full Name of Board: American Board of Urology

Certificate

Date of 1st Issue: February 28, 1998

Date of Issue: February 28, 2008

Date of Next Recertification: February 28, 2018

**3. Malpractice Insurance**

Do you have Malpractice Insurance? Yes

Name of Provider: MCIC

Premiums paid by WCMC

**E. Memberships in Associations:**

| Title  | Organization   | Date Joined |
|--------|--|-------------|
| Member | American Urological Association                                  | 1994        |
| Member | American Urologic Association/New York Section                   | 1994        |
| Member | American Medical Association                                     | 1994        |
| Member | Philippino Chinese Medical Association                           | 1995        |
| Member | Medical Society of the State of New York                         | 1994        |
| Member | Chinese American Medical Association                             | 2002        |
| Member | Endourologic Society   | 1998        |
| Member | Society of Urodynamics and Female Urology                        | 1998        |
| Member | American Academy of Science                                      | 2000        |
| Member | Society of International Urology/ Societe Urologie International | 2006        |
| Member | National Association For Continence                              | 2005        |
| Fellow | The New York Academy of Medicine                                 | 2008        |

**F. Honors and Awards:**

Sigma Xi Research Society, Associate Member, 1984  
Outstanding Achievements in Medicine, Philippine Chinese Medical Association, 1995  
Outstanding Young Man, Philippine Chinese Association of America, 1996  
New York Harvest Award, UST Medical Alumni Association, 1997  
Rising Star Award, Poly Preparatory Country Day School Board of Alumni, 1999  
Medicine Achievement Award, Philippine Chinese Association, 2002  
Distinguished Physician Award, Philippine Chinese Medical Association 2004  
SUFU Best Video Award- 1<sup>St</sup> Prize 2008

AUA Best Video Award-1<sup>st</sup> Prize 2008  
SuperDocs 2008, 2009, 2010  
Castle Connolly: Best Doctor in NY Metro Area: Urology 2007, 2008, 2009, 2010  
Consumer's Research Council of America: Top Physicians 2004-2009  
Best Doctors in America Database: 2009, 2010  
Marquis Who's Who in America 2009

#### **Cornell Patents**

1. Patent Application Submitted April 9, 2009 to US Patent Office. Assigned to Cornell University. **Te AE**, Rey D, Batts C. NANOPARTICLE-MEDIATED MICROWAVE THERMOTHERAPY AND TISSUE TREATMENT METHODS BASED THEREON

#### **G. HOSPITAL/INSTITUTIONAL AFFILIATION**

1. Primary Hospital Affiliation: New York Presbyterian Hospital (Cornell)
2. Other Hospital Affiliation: Hospital for Special Surgery

#### **H. EMPLOYMENT STATUS**

1. Name of Current Employer(s): Weill Cornell Medical College
2. Employment Status: Full-time salaried by Cornell

#### **I. CURRENT AND PAST INSTITUTIONAL RESPONSIBILITIES AND PERCENT EFFORT**

1. Teaching (e.g., specific teaching functions, courses taught, dates)  
Resident Education (Grands Rounds, Mortality and Morbidity): 1990- Present  
Fellowship Education (Co-Mentor and Fellowship Supervisor): 1995-Present  
Cornell Fellows Trained:

|                      |           |
|----------------------|-----------|
| Jaspreet Sandhu, MD  | 2004-2005 |
| William Jaffe, MD    | 2004-2005 |
| Balaji Reddy, MD     | 2004-2006 |
| Ricardo Gonzalez, MD | 2005-2006 |

-NY Academy of Medicine Valentine Fellow

|                  |               |
|------------------|---------------|
| Rajiv Saini, MD  | 2006-2007     |
| Eddie Zoltan, MD | 2007-2008     |
| Doreen Chung, MD | 2008-Present  |
| Richard Lee, MD  | 2009- Present |

BioMedical Graduate Education (Summer Mentor):2005-Present  
Weill-Ithaca Cornell Biomedical Summer Immersion Program  
Clerkship Sponsor

|                    |      |
|--------------------|------|
| Cameron Bardliving | 2008 |
|--------------------|------|

## 2. Clinical care

Focus on voiding dysfunction in adults and diseases of the prostate and bladder including neurourology and urodynamics, female urology, incontinence, benign prostatic hyperplasia, prostatitis, prostate cancer, chronic pelvic pain syndromes, and lower urinary tract pathology: 1995-Present

## 3. Administrative duties

## Institutional Responsibilities:

|   |              |
|---|--------------|
| Founding Webmaster of <a href="http://urology.columbia.edu">http://urology.columbia.edu</a><br>Department of Urology, Columbia University Website | 1995-2000    |
| Public Relations Committee<br>Department of Urology, Columbia University  | 1995-2000    |
| Computer Committee<br>Department of Urology, Columbia University  | 1995-2000    |
| Director of Neurourology & Urodynamics<br>Department of Urology, St. Luke's-Roosevelt Hospital Center   | 1995-1996    |
| Co-Director of Incontinence Care Center<br>J. Bentley Squier Urologic Clinic, Columbia Presbyterian Medical Center                                | 1995-2000    |
| Director of the Incontinence Care Center<br>Division of Urology, Maimonides Medical Center  | 1996-2004    |
| Compliance Leader<br>Department of Urology, Cornell University  | 2002         |
| Formulary and Therapeutics Committee<br>New York Presbyterian Medical Center  | 2003-Present |
| Institutional Review Board Member<br>Weill Medical College of Cornell University  | 2008-Present |
| Director of the Brady Prostate Center and Urodynamics<br>Department of Urology, New York Presbyterian, Weill Cornell Medical College              | 2000-Present |

## 4. Research

Current Research Experience:

Cornell University, Department of Urology  
Weill Cornell Medical College  
Associate Professor of Urology  
Areas of Current Research: Benign Prostatic Hyperplasia (BPH), Therapies in BPH, Incontinence, Prostatitis, Neurourology and Urodynamics, Female Urology, Interstitial Cystitis, Laser Surgery, Prostate Cancer

1995- Present  
New York, NY

#### Past Research Experience

Columbia University  
College of Physicians and Surgeons  
Department of Urology  
Sponsors: Steven A. Kaplan, M.D. & Carl A. Olsson, M.D.  
Topic: Transurethral Electrovaporation of the Prostate

1994-1995  
New York, NY

Columbia University  
College of Physicians and Surgeons  
Department of Urology  
Sponsors: Steven A. Kaplan, M.D., Ridwan Shabsigh, M.D., Ralph Buttyan, Ph.D. & Carl Olsson, M.D.  
Topic: Neurotrophic factors in developing and diabetic bladders and penis  
Castration-Induced Apoptosis in the Rat Penis

1992-1994  
New York, NY

Cornell University Medical College  
Brady Urology Research Laboratory  
Sponsor: E. Darracott Vaughan, Jr., M.D.  
Topic: Intraperitoneal infusion of alkaline irrigating solutions used in uric acid stone treatment

July 1987  
New York, NY

University of California, San Francisco  
Department of Biophysics & Biochemistry  
Sponsor: Robert Fletterick, Ph.D.  
Topic: Isolation of human liver glycogen phosphorylase gene from human genomic cDNA library

Summer 1985  
San Francisco, CA

Yale University  
Department of Molecular Biophysics & Biochemistry  
Sponsor: W. Dean Rupp, Ph.D.  
Topic: The DNA sequence of the uvrB gene in E. Coli.

Academic Year 1983-1984  
New Haven, CT

University of California, San Francisco  
Department of Biophysics & Biochemistry  
Sponsor: Robert Fletterick, Ph.D.  
Topic: The DNA sequence of human muscle glycogen phosphorylase

Summer 1983  
San Francisco, CA

Yale University Medical School  
 Department of Cardiovascularpathophysiology  
 Sponsor: S. Evans Downing, M.D.  
 Topic: Biochemical assay to measure heart muscle scars in rabbits

Academic year 1982-83  
 New Haven, CT

The New York Blood Center  
 Department of Cell Biochemistry  
 Sponsor: Jack Goldstein, Ph.D.  
 Topic: Protein purification of N- Acetyl-D-Galactosaminodase

Summer 1982  
 New York, NY

The Jackson Laboratory  
 Sponsor: David E. Harrison, Ph.D.  
 Topic: Water solubility changes of collagen in aging mice skin

Summer 1979  
 Bar Harbor, Maine

| <u>Current Percent Effort (%)</u> | <u>Does the activity involve WMC students/researchers? (Yes/No)</u> |
|-----------------------------------|---|
| Teaching 10%                      | Yes   |
| Clinical Care 50%                 | No  |
| Administration 5%                 | No  |
| Research 35%                      | Yes   |

## **J. RESEARCH SUPPORT**

### Principle Investigator

1. Clinical efficacy and tolerability/safety of tolterodine prolonged release capsules. A open labeled multinational extended study in patients with symptoms of overactive bladder  
 Funding Source: Pharmacia UpJohn  
 Duration: 2000-2001
2. A randomized, double-blind, placebo controlled, fixed dose study to evaluate the safety and efficacy of LU 25-109 in the treatment of adult patients with overactive bladder.  
 Funding Source: Forest Laboratories  
 Duration: 1999-2000
2. The long-term efficacy and safety of alfuzosin 10mg OD (once a day) on the risk of acute urinary retention and the need for surgery in patients with BPH (benign prostatic hyperplasia). A two-year, randomized, multicenter, double-blind, parallel group, placebo-controlled study.  
 Funding Source: Sanofi-Synthelabo  
 Duration: 2001-2005
3. A double-blind randomized parallel group study of alfuzosin 10mg OD (once a day) versus placebo in the management of acute urinary retention in patients with a first episode due to BPH (Benign Prostatic Hyperplasia)  
 Funding Source: Sanofi-Synthelabo  
 Duration: 2001-2003

4. A Multi Center Study of the Tolerability, Efficacy, and Safety of Transperineal Prostatic Block or Transrectal Ultrasound Block as Primary Methods of Local Anesthesia for Interstitial Laser Thermal Therapy In An Outpatient Clinic Setting In Subjects with Symptomatic Benign Prostatic Hyperplasia  
Funding Source: Ethicon Endosurgery  
Duration: 2001-2002
5. A Double-Blind Placebo-Controlled, Pilot Study to Teat Patients with Moderate to Severe Progressive Benign Prostatic Hypertrophy with Phenoxybenzamine (Dibenzyline).  
Funding Source: Wellspring Pharmaceuticals Inc.  
Duration: 2001-2003
6. A Postmarket data collection study of the uroflometry effects and symptom alleviations of the Thermoflex™ System in patients suffering form benign prostatic hyperplasia (BPH)  
Funding Source: Argomed, Inc.  
Duration: 2000-2002
7. Prostate Specific Antigen ( PSA) Density of the Transition Zone in Ethnically Diverse Men DAMD17-99-1-9041 P.I. % effort: 25  
Funding Source: Department of Defense  
Duration: 1999
8. The Use of a Bipolar Electrovaporization Technique utilizing the Gyrus PlasmaKinetic Electrosurgical System with Isotonic Saline Irrigating Solution in the Treatment of Benign Prostatic Hyperplasia  
Funding Source: Gyrus  
Duration: 2000-2001
9. Clinical efficacy and tolerability/safety of tolterodine prolonged release capsules and tolterodine immediate release tablets vs placebo. A randomized, double-blind, placebo-controlled, multinational study in patients with symptoms of overactive bladder  
Funding Source: Pharmacia UpJohn  
Duration: 1999-2000
10. A Multi-Center Clinical Evaluation of the 80W KTP Laser Prostatectomy for the Treatment of Benign Prostatic Hyperplasia  
Funding Source: Laserscope, Inc.  
Duration:2002-2003
11. Evaluation of RDP58 in a mouse model of acute and chronic interstitial cystitis  
Funding Source: Sangstat, Inc.  
Duration: 2002-2003
12. A Phase I/II Dose Escalation Study to Asses the Safety, Tolerability, and Preliminary Efficacy of Transurethral Photodynamic Therapy with QLT0074 for Benign Prostatic Hyperplasia  
Funding Source: QLT, Inc  
Duration: 2003-2004
14. A Randomized, Double- Blind, Placebo-Controlled, Parallel Group Study of the Efficacy and Safety of Dutasteride 0.5mg Administered Orally Once Daily for Four Years to Reduce the Risk of Biopsy- Detectable Prostate Cancer

- Funding Source: Glaxo Smith Kline  
Duration: 2003-2005
- 15 Protocol H6D-MC-LVHK: A Randomized, Double-Blind, Placebo-Controlled, Parallel-Design, Multicenter Study to Evaluate the Urodynamic Effects of Tadalafil Once a Day for 12 weeks in Men with Signs and Symptoms of BPH  
Funding Source: Lilly Icos  
Duration:2006-2008
  - 16 A Phase 2, Randomized, Double-Blind, Parallel Group, Placebo Controlled, Multi-Center Study to Evaluate the Urodynamic and Safety of YM178 in Male Subjects with Lower Urinary Tract Symptoms (LUTS) and Bladder Outlet Obstruction (BOO)-I-3  
Funding Source: Astellas  
Duration: 2006-2007
  - 17 A Pilot Study to Measure the Efficacy of Long-Acting Tolterodine on Continued Detrusor Overactivity in Patients that Have Undergone Treatment for Bladder Outlet Obstruction  
Funding Source: Pfizer  
Duration: 2007-Present
  18. Randomized Double-Blind Placebo Controlled Trial of Intradetrusor Injections of Botox for the Treatment of Urinary Incontinence Secondary to Benign Prostatic Hyperplasia BTX0621  
Funding Source: Allergan  
Duration: 2007-Present
  19. Examination of High Power (120W) Laser Energy in Canine Prostatectomy  
Funding Source: AMS  
Duration: 2006
  20. A Prospective Evaluation of the Greenlight Model 120 Laser System for the Treatment of Benign Prostatic Hyperplasia  
Funding Source: Laserscope  
Duration: 2006-2007
  21. Sanofi-Synthelabo Prospective, Observational Registry and Patient Survey of the Management of Men with Benign Prostatic Hyperplasia (BPH): BPH Registry and Patient Survey  
Funding Source: Sanofi-Aventis  
Duration: 2005-2007
  22. A Randomized, Double-Blind, Placebo-Controlled, Dose Comparison Study of the Efficacy and Safety of Lonidamine for the Treatment of Symptomatic Benign Prostatic Hyperplasia  
Funding Source: Threshold  
Duration: 2005-2006

#### Co- Investigator

1. Microwave Thermotherapy vs. TURP, a randomized comparative study  
PI: Steven A. Kaplan

- |    |  |   |
|----|--|---|
| 2. | Funding Source: Urologix, Inc., Minneapolis, MN.<br>Peripheral Sacral Nerve Stimulation for the treatment of Voiding Dysfunctions<br>PI: Steven A. Kaplan    | Duration: 1996-1999                       |
| 3. | Funding Source: Medtronic, Inc., Minneapolis, MN.<br>Medical Therapy of BPH Study (MTOPS): A 6 year study<br>UO1 DK46418 – 04<br>PI: Steven A. Kaplan        | Duration: 1997-2000<br>Co-PI % effort: 20 |

National Committee Responsibilities:

|                                    |           |
|------------------------------------|-----------|
| American Urological Association:   |           |
| Chair, Audio Visual Committee      | 2008-2010 |
| Vice Chair, Audio Visual Committee | 2007      |

Voting Audio Visual Committee Member 2006- Present  
Abstract Committee Reviewer  
Abstract Committee Team Leader  
Annual Meeting Faculty Member  
AUA BPH Course Director  
Member of the AUA Education Council 2008- Present

National Institute of Health

Task Force Member, Interstitial Cystitis Epidemiology Task Force Meeting  
NIDDK/NIH, Bethesda, MD 10/29/03  
Grant Reviewer, NIDDK CP Collaborative Network Grant Review Meeting,  
3/17/03  
Grant Reviewer, NIDDK IC Collaborative Network Grant Review Meeting,  
3/18/03  
Grant Reviewer, NCI Novel Technologies for InVivo Imaging Grant Review  
Meeting 3/23/04  
Consultant, NIDDK Prostate Basic and Clinical Research Strategic Planning  
Meeting 7/10/07  
Grant Reviewer, NIH, O'Brien Center for Urology 07/27-28/2009

Philippino Chinese American Medical Association 2008-Present  
Board of Governors, Member

National Association for Continence 2008-Present  
Board Member

NY Academy of Medicine 2007-Present  
Executive committee member of the Urology section.

**Lectureships and Presentations:** (selected 40 out of 130 events)

1. “Transurethral Electroevaporization of the Prostate”, Faculty Lecturer and Moderator, 1995 Annual Meeting of Society of Minimally Invasive Surgery, Portland, Oregon, 9/23/95.
2. “Transurethral Electroevaporization of the Prostate”, 1995 Annual International Meeting of the ESWL and Endourology Society, Jerusalem, Israel, 11/25/95.
3. “Medical Therapies for BPH”. Faculty Lecturer. 1996 Annual Philippine Chinese Medical Association, New York, NY 7/7/96.
4. “Electrovaporization of the Prostate”, Visiting Professor, Grand Rounds Lecture, University of Santo Tomas Medical School, Manila, Philippines, 9/25/96.
5. “Transurethral Electroevaporization of the Prostate”, Keynote Visiting Professor, 1996 Annual Japanese Urological Association Meeting, Tokyo, Japan, 12/12/96.
6. “New Therapies in BPH”. Faculty Lecturer. 1997 Annual Philippine Medical Association Meeting in US, New York, NY, 5/24/97.
7. “New Approaches to Management of the Overactive Bladder” Faculty Lecturer. 1998 Martin Stone OB/GYN Society Meeting. New York Academy of Medicine, New York, NY 10/23/98.
8. “Old versus New: Transvaginal Suspensions and Transvaginal Slings” The New York Academy of Medicine, NY, NY 7/10/99.
9. “Counterpoint: The holmium laser resection of the prostate”, NY Section AUA Annual Meeting, South Africa 10/24/00.
10. “Plenary Session Panel Presentation on Chronic Pelvic Pain Syndrome” AUA Annual Meeting 2003, Plenary Session Panel Member Chicago, Ill. 4/2003
11. “BPH Surgical Technology Session” AUA Annual Meeting 2003, Podium Session Moderator. Chicago, Ill. 4/2003
12. New York Section AUA Annual Meeting 2002, Madrid and Barcelona, Spain
  - 1.New Technologies in BPH 10/18/02
  - 2.Heat Therapies in Urology 10/22/02
  - 3.Is Chronic Prostatitis a Male Voiding Dysfunction 10/24/02

4. Photoselective Vaporization of the Prostate (PVP): Initial Experience with the 80 W High Power KTP Laser Vaporization Prostatectomy for the Treatment of BPH 10/24/02
13. AUA Educational National Postgraduate Course. Update on BPH: Faculty member, Keystone, Co. 1/8/03-1/12/03
14. New York Section AUA Annual Meeting 2003, Athens Greece
1. Evolution of the Laser Prostatectomy for BPH 10/14/03
  2. Combination Medical Therapy for BPH 10/14/03
  3. Cooled ThermoTherapy™ / TUMT® for Intractable Chronic Prostatitis – 12 Months after Treatment 10/14/03
  4. High power KTP Photoselective Laser Vaporization Prostatectomy for the Treatment of BPH in Men with Large Prostates J. S. Sandhu, B. A. VanderBrink, C. Egan, S. A. Kaplan, A. E. Te 10/14/03
15. New York Section AUA Annual Meeting 2004, Venice to Rome, Italy  
Scientific Co- Chair and BPH Section Moderator
1. The 80 Watt Quasi Continuous KTP Laser Prostatectomy: The New York Presbyterian Experience: 10/04
  2. Where do new technologies for BPH fit? 10/04
  3. The USA Experience with the Next Generation High-Energy Microwave ThermoTherapy System (TUMT®) for Benign Prostatic Hyperplasia 10/04
16. Second Annual Maurice Gonder, M.D. Urology Symposium at SUNY Stony Brook, NY  
- Minimally Invasive Technology in the Management of BPH: A 2005 Perspective 3/19/05
17. National Association for continence Annual Meeting 2005, Durham, NC 11/12/05  
- The Male Bladder 11/12/05  
- Prostate Health: Tackling BPH with medications and procedures 11/12/05
18. Annual New York Section AUA Meeting 2005, Vienna, Austria  
- KTP Laser for Benign Prostatic Enlargement 9/19/05
19. SIU Meeting on Prostatic Diseases 2005, Bariloche, Pantagonia, San Carlos, Argentina  
- Lunch Symposium: Innovations in Laser Treatment of BPH: Are All Lasers Created Equal? 9/30/05
20. AUA Annual Meeting 2005, San Antonio, Texas
- Plenary Session Presenter: BPH Highlights
  - Video Session Moderator, Laparoscopic and Robotic Nephroureterectomy, Cystectomy and Miscellaneous Procedures and Minimally Invasive BPH procedures.
  - Discussed Poster Session Moderator, Urologic Infections and Inflammatory Diseases
21. AUA Sponsored Course on BPH ( Co-Director ) Washington, DC. 12/9/05-12/12/05  
Lectures given at course
- Debate Panel: The Role of Flow Rates, PVR's, TRUS, Prostate Biopsies and Urodynamics
  - Introduction to Treatment: What Are We Treating?
  - Role of Anticholinergic Therapy with LUTS
  - Overview of Invasive Surgical Therapies
22. AUA 2005 Post Graduate Course on BPH, Faculty member  
- AUA Webcast Lecture

- Paradigms for Minimally Invasive Therapies for BPH 5/21/05
- 23. American Society of Laser Medicine and Surgery Annual Meeting 2006, Boston, Massachusetts
  - State of the Art Lecture- Photoselective Vaporization of the Prostate. 4/7/06
  - Point Counter Point Session- Greenlight vs. Holmium 4/7/06
- 24. American Urologic Association Meeting 2006 – CME Symposium
  - Emerging trends in prostatectomy and impact of new technologies; advanced techniques for large glands, difficult or challenging cases and managing patient expectations; tricks and tips. 5/19/06
- 25. Hong Kong Urologic Association: State of the Art Symposium on Photoselective Vaporization of the Prostate.Hong Kong.
  - Photoselective Vaporization of the Prostate: Surgical Tips and Caveats. 6/27/2006
- 26. Michigan Urologic Society Meeting 2006, Ann Arbor, Michigan
  - Resident Presentation Judge 5/10/06
  - State of the Art Lecture on Photoselective Vaporization of the Prostate 5/10/06
- 27. The 20th Congress of the Japanese Society of Endourology and ESWL 2006, Osaka, Japan
  - State of the Art Point Counterpoint: PVP vs HoLAP 10/6/06
- 28. Annual New York Section AUA Meeting, Buenos Aires, Argentina
  - Panelist on Panel Discussion: Male Voiding dysfunction: Best Medical Management on 11/13/07
  - Lecture: Anticholinergic for LUTS
- 29. R. Frank Jones Urological Society (RFJUS) of the National Medical Association (NMA) 2007 Annual Meeting and Scientific Assembly, Honolulu, Hawaii.
  - Faculty and Lecturer: Minimally Invasive Treatments for BPH: Which is best? 8/6/07
- 30. DOD Innovative Minds in Prostate Cancer Today (IMPACT) meeting, Atlanta, GA
  - Poster Presentation: Core per gram ratio predicts prostate cancer detection on transrectal ultrasound-guided prostate biopsy 09/07/08
- 31. Annual AUA Post Graduate Course on BPH, San Francisco, Ca
  - Course Director and Faculty 12/7-8/07
  - Lecture given at course:
    - Bladder Therapies for LUTS
    - Office Analgesia
    - Novel Minimally Invasive Investigational Therapies for BPH
    - Overview of Laser Therapies in BPH
    - The High Power 532 nm Laser Techniques
    - Laser Hands On
    - Thermotherapy Hands On Laboratory
    - Heated Battles: Which on to use?
- 32. 2008 Annual New York Section AUA Meeting, Berlin, Germany
  - Faculty Panelist on Panel Discussion: Male Voiding dysfunction: Best Medical Management on 11/13/08
  - Lecture: 532 nm Lasers in BPH:2008 update
- 33. 26<sup>th</sup> World Congress of Endourology and SWL Annual Meeting 2008, Shanghai, China. 12/2/08
  - BPH: Plenary Faculty Panel Member on Debate
  - Thulium vs. Holmium vs 532 nm Laser

34. 2008 ARTP (de l' Association pour la Recherche sur les Tumeurs de la Prostate) Annual Meeting, Paris, France on 12/5/08 Invited Plenary Faculty Member and Speaker
  - Molecular pathways of benign prostatic hyperplasia and my vision of BPH treatment in the next 10 years
35. AUA 2008 Post Graduate Course on Male Pelvic Health , Faculty member  
Bladder Therapies in Men 05/17/2008 Orlando, FL
36. 26<sup>th</sup> World Congress of Endourology & SWL 2008  
Faculty Member in Instructional Course 16 on Lasers in BPH on 12/02/08  
532 nm Lasers In BPH: 2008 Update
37. AUA 2009 Post Graduate Course on Male Pelvic Health , Faculty member  
Technology Update in Lower Urinary Tract Therapies in Men 05/24/2009 Chicago, Ill
38. AUA 2009 Post Graduate Course on Best Video Awards Course , Chairperson  
and Faculty member 05/23/2009 Chicago, Ill
39. AUA 2009 Post Graduate Course on Laser Therapies for BPH: Hands On Course, Faculty  
member 05/24/2009 Chicago, Ill  
532 nm Lasers for BPH
40. 2009 Annual AUA Post Graduate Course on BPH, New Orleans, La.  
Course Director and Faculty 3/6-7/2009  
Lecture given at course:
  - Bladder Therapies for LUTS
  - Office Analgesia
  - Overview of Laser Therapies in BPH
  - The High Power 532 nm Laser Techniques
  - Laser Hands On Laboratory
  - Thermotherapy Hands On Laboratory
