September 30, 2022, Rev. 10/4/22

TARGET AUDIENCE

Weill Cornell physicians in urology, other interested physicians and health care providers, and students.

STATEMENT OF NEED

Advances in urology should be presented on a regular basis as one means of updating physicians on the latest developments in their specialty.

COURSE GOALS & OBJECTIVES

Weill Cornell Medical College CME Activities are intended to lead to improved patient care. By the conclusion of this series, physicians should have a better understanding of recent developments in urology which in turn should lead to improvements in clinical care.

CME Accreditation and Credit Designation Statements

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)™ per conference. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

It is the policy of Weill Cornell Medical College to adhere to ACCME Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose relevant financial relationships pertaining to their contribution to the activity, and any discussions of off-label or investigational uses of approved commercial products or devices, or of any products or devices not yet approved in the United States. WCMC CME activities are intended to be evidence-based and free of commercial bias. *If you feel this is not the case, please call the Office of Continuing Medical Education at 646-962-6931 to anonymously express any concerns.*

WCMC does not accept industry support for any regularly scheduled conference. Any exceptions to this are approved by the CME Committee and will be disclosed prior to this presentation.

WCMC is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 646-962-6931.

Evaluations for regularly Scheduled Conferences (RSCs) are conducted throughout the year. If you have questions or concerns regarding the content or presentation of this session including any conflict of interest, please contact Tonya McKnight, CME Coordinator at 646-962-5913.
